

EMERALD COAST MODEL AVIATORS

<http://www.fly-ecma.org>

The Emerald Coast Model Aviators was formed in the late 1980s as Chapter 270 of the International Miniature Aircraft Association (IMAA) and later chartered with the Academy of Model Aeronautics (AMA) as Chapter 3028.

PURPOSE

As stated in our constitution, our purpose is to “stimulate and foster interest in the building and safe flying of miniature aircraft for enjoyment of the hobby and to promote a fraternal spirit of recreation and sportsmanship”.

INSTRUCTOR PILOTS

If you are new to radio controlled model airplanes, we highly recommend that you seek out an instructor pilot to help you until you are ready to fly solo. We will be glad to help you select a plane and follow through with instructions using a “buddy box”.

FIELD

The flying field for this organization is located on Parker Farm in Wewahitchka, FL, situated on Rt. 22A, 1/4 mile north of Hwy 22. A map is provided on the back.

MEETINGS

The club meets on the third Monday of each month at a Club member’s home at 7:00 pm. Meetings are informal and we encourage you to attend.

AIR SHOW

Each year, in the fall, we put on an air show to benefit a local charity. For the past several years we have selected Taunton’s Family Childrens Home in Wewahitchka as our charity. The air show brings in pilots from all over the southeast who have both scale and aerobatic airplanes. There is a combat competition at noon each day.

CONTACTS

Ron Frost 850-722-4565, Doug Sampson 850-874-2932, Robert Arnold 850-271-4353

**FLYING FIELD IS 22 MILES EAST OF HWY 98 AND 2 MILES WEST OF WEWAHITCHKA
JUST OFF HWY 22 ON COUNTY ROAD 22A.**

WELCOME! ENJOY YOUR STAY.
